

Lochgelly Community Council are a statutory body made up of volunteers from Lochgelly who give up their time to improve the town and ensure that we are properly engaged by Fife Council and the Scottish Government on matters which impact on the town.

We campaign on matters such as the need for a new Health centre, proper recreational facilities, Health and Social improvements across Lochgelly.

As a result of recent changes in the personal circumstances of Jon Magee, one of our longer serving Community Councillors who will be taking up a new post we have a vacancy to fill.

If you are interested in supporting the improvements made in Lochgelly? You feel that you could contribute to the development of the plans for the town? You think that you can offer a positive contribution to all aspects of the Lochgelly people's lives?
